 Protecting Our Children: A Conversation with Sombat,
Chairman of the Peace Culture Foundation

 June 14, 2025  9:30 - 10:30 am |  Warm Heart Learning Center

How do we keep our children safe in today's world?
How can we recognize the early signs of abuse or grooming?

And how can we, as parents and caregivers, become a source of strength and love instead of fear?

Join Sombat, a leading voice in peacebuilding and child protection in Thailand, for a special talk on:

- ✓ Understanding and preventing child abuse
- ✓ Spotting the signs of online grooming and exploitation
- ✓ Building strong, loving relationships through positive parenting

 This is a safe space for all — parents, teachers, youth workers, and anyone who wants to raise children in a more peaceful, respectful world.
